

from Engel's Angle

Wartburg's Knights played quite a game of football against LaCrosse after they got the kinks out, but those eight minutes of "unkinking" proved costly. With an open date on their schedule this week, Coach "Nellie" Nelson is working out some new plays with his squad and drilling it on the finer points of downfield blocking. The team proved itself weak in this department against La Crosse.

"Dutch" Sauerbrey was kicked in the back and has not been working recently, but he should be ready to go against Iowa Wesleyan. Eldon Reeg has been running with the first eleven since Sauerbrey's injury.

Most of the other boys came through the game with nothing more than a few bruises. In fact, Billie Wallen and Erv Lianus had enough stamina on Saturday afternoon to do a little fishing. Haven't heard any big fish stories lately; say the fish must be getting fat. Lucy said they did get a little catfish.

Iowa State tangles with Nebraska today in Lincoln. Your columnist hails from the Cornhusker state and thinks that the lowly State will be lucky to get back home in one piece. There are some mighty big boys in the Husker roster, including Tom Fink, a center with a good chance to gain All-American honors. Other games today which may interest readers are Iowa, Marquette, Indiana and the Wisconsin-Indiana game.

Speaking of football brings to mind the story told about Johnny Lujack, the All-American quarterback for Penn State for the past several autumns. The Indians, playing the Army in one of their traditional struggles, and Arnold Tucker, Army quarterback, interchanged passes several times during the course of the afternoon. After the game, Coach Fred Leiby walked up to Johnny and said, "How would you like throwing passes to Tucker all afternoon?" Lujack replied, "To be perfectly frank, Coach, he was the best quarterback I ever saw."

See you next week; if there is no other way out, that is.

Plans Being Made For Intramurals

Plans are being made for an extensive intramural sports program at Wartburg. It was announced this week by Norman Mihalik, sophomore and chairman of the intramural sports committee, which will handle these activities.

This program is being worked

out in answer to much agitation

for a more complete intramural

program by the Student Department

and the Student Senate, working

together under the advisement

of Coach Melvin Nelson and Dean

of Students Opie Johnson.

Particular plans include a division of the campus into areas

with a possibility of subdivisions,

awarding of medals to individual

members of the most winning

teams and the awarding of cups

at the end of the semester or year

to the area which, under a pro-

posed point system, contained the

greatest number of points.

For the present, eight areas

have been designated as follows:

Area 1, first floor of Grossmann Hall; area 2, second floor of

Grossmann Hall and 3, North

Hall; area 4, trailer camp; area

5, east side of river; area 6, an-

nexes; area 7, west side of Bre-

merer Avenue west of river; and

area 8, north side of Bremer ave-

nue west of river.

In the near future a tennis

tournament will be sponsored.

Football Schedule

Sep. 1—Open date;
Oct. 1—Oveners, there.
Oct. 8—Buena Valley, there.
Oct. 16—Luther, there.
Oct. 23—Simpson, here, Home-
coming.
Oct. 30—Penn, here.
Nov. 6—Upper Iowa, there.
Nov. 11—Parsons, here.

College Has Champ In Emil Stubenvoll

But you didn't know Wartburg had a golf champion, did you? Well, Emil Stubenvoll, from the Northeastern Wisconsin open golf champion, Emil Stubenvoll.

Emil, a 23-year-old senior from Clintonville, Wis., cutdowns cutputed, outplayed and outlasted everyone else in a fast field of 40 top golf pros and amateurs this summer.

His 72-71-143 on the 36-hole pro tour, 72, comes close to Jim Millard, Green Bay Oneida Club, who won the Wisconsin open

champion, who had a 74-71-143.

"Stubie" was a late entry and the last to hit the green in the grueling tour, but other than the fact that he was in fast company bothered him, and he chalked up his first major championship.

Kaltenborn To Head Program

H. V. Kaltenborn, well-known radio news commentator, will head the list of great names appearing on this year's Artist Series program, as announced this week by Dr. A. W. Swenson, professor of chemistry and chairman of the Artist Series committee.

Known throughout the world for his pioneering in the field of radio journalism, Mr. Kaltenborn will appear on the Waverly platform Feb. 17. The agreement reached with him last week for his appearance completed the schedule for this year's Artist Series.

Davis First.

First number on the current program will be Elizabeth Davis, American Negro soprano, who will sing at Wartburg Oct. 25. Miss Davis has been booked on extensive tour which includes three years' state appearances in New York's Town Hall, with the Philadelphia Symphony and in six solo performances in Mexico City, within four weeks.

Returning to the United States for the first time in 10 years will be the Vienna Choir Boys, who will appear at Wartburg Nov. 15.

From 1938 to 1939 the famous boy-choir toured the United States with unique costume productions of "Moses," "Bastien und Bastienne," and "John Shaus" on the Beautiful "Blue Danube."

Wolfe On Dee.

On the Artist Series program for Dec. 3 will be Henry C. Wolfe, international Peabody Award-winning author and editor, who will appear in Waverly Jan. 18. Pastor of the oldest Methodist church in America, Dr. Wolfe is well known through his radio program, "The Art of Living."

Final number of this year's program will be the Fatio Piano Ensemble, featuring two famous accomplished pianists. They will be presented March 31, when they will blend special arrangements of varied music from Bach and Scarlatti to Brahms and Rossini.

Project Suggestions Given Yesterday By Student Prexy

Suggestions for a first semester project were given yesterday by David Rath, student body president, at the regular monthly meeting of Wartburg students in the assembly hall.

Listed as projects suggested by Dr. Carl Oberdorfer, missionary to India during the recent visit of that country, were the purchase of treatment houses for an Indian Leprosy colony and providing scholarships for Indian students who would attend the United Lutheran college in Indiana.

Another suggestion for a semester project was the foster parent plan for children who could take care of orphans in Europe.

Fourth suggested project was Lutheran Student Action, a campaign to help the Wartburg students two years ago.

Two motions were passed at the Friday meeting, one calling for an increase in the amount of the usage fee and the other one outlawing religious floats from the Homecoming parade.

Before the meeting began, Dr. C. J. Beaman spoke for student labor for the gymnasium construction. He explained that day laborers on the gymnasium project were making an effort to receive higher wages.

Students will vote on a semester project next week.

College Players Hold Meeting, Plan Schedule

Wartburg players held their first meeting on Wednesday at 7:30 p.m. in the chapel and planned a full schedule for the coming year, according to Robert Gronlund, senior and president of the organization.

Elected to vacant offices were George Muchinsek, senior vice-president; Dorothy Diers, sophomore, secretary, and Ray Meier, junior, treasurer.

The players decided to apply for admission to Alpha Psi Omega, national drama honor society.

The president appointed Howard Sprakman, senior, chairman of a committee to plan social activities for the year.

Mr. P. W. Winkerman, head of the dramatics department, suggested that the secretary contact other colleges in the surrounding area to find out what productions the club might attend them and get an idea of the work being done on other campuses. It was also decided to have a dance in Radisson in Des Moines in order to attend some plays there.

Tickets are now on sale for the once-a-month plays which will be presented at 8 p.m. in the gymnasium. The first play will be "Men Played Cards as Women do," Feb. 11. Fred Moeckel, Francis Neumark, junior; Hartie Schmidt, sophomore, and Robert Snyder, freshman, cast as four card players.

A musical drama, "The Rising of the Moon," is the second on the program. Cast in this play are Carl Scheffler, junior; Ruth Neumark, sophomore, and Robert Snyder, freshman.

"Suppressed Desires," a comedy with Marie Ehlen and Judy Vozel, sophomores, and Robert Gronlund, senior, playing the roles, will close the season.

Committees were appointed to handle the production of the plays. Tickets may be purchased at the Wartburg Club members for the price of 40 cents a couple, 25 cents single.

Quick, Courteous Service and Fresh, Tasty Food At The MAID RITE

New Members Join Parish Workers

Many new members attended the first meeting of the Phobes parish workers, Sept. 18 at Wartburg hall, as reported by Gladys Silvester, president.

During the business meeting following devotions, Maxine Schuchmann, sophomore, was elected vice-president, and Edith Baehr, senior, secretary-treasurer.

Program for the year was discussed, definite plans being made to publish the "Phobes' Epistle" three times during the year.

"All parish workers and others interested are welcome to attend the next meeting," stated Gladys Silvester.

Missionaries Needed Everywhere, Says Dr. Oberdorfer On Campus

"Missionaries are needed in every corner of the world," stated Dr. Carl Oberdorfer, American Lutheran missionary to India, during his visit to Wartburg Tuesday.

Dr. Oberdorfer spoke at Wartburg's Tuesday morning convocation at St. Paul's Lutheran parish school in the afternoon and at the meetings of the Hans Sachs Verein and the Wartburg Women's Club in the evening.

28 Years In India.

Having spent the past 28 years in the land of the Hindus, Dr. Oberdorfer expects to return to the foreign field next December or January.

"Hinduism preaches a doctrine of fatalism and good works. Because of this it is difficult to teach people to believe in God and practice good deeds without a selfish motive," said Dr. Oberdorfer.

As a youth, the missionary had no intention of entering college but began the study of Sanskrit when becoming a missionary, he told a TRUMPET reporter. Aiding by his mother's willpower, however, he registered at the University of Bonn, and during his last year in seminary he volunteered for mission work in India.

Large Mission Field. Oberdorfer's "missionary field" covers a land area of about nine thousand square miles, with approximately nine thousand

August marriage of Alfred C. Schuchmann, Jr., Sumner and Mandiela Dreher, Denver, and that of Vernon Fasse, junior from Readlyn, and Mariah Krueger, Denver, July 19, were absent from this meeting.

Another marriage this summer was that of Lloyd Schuchmann, a Wartburg student for the past two years, and Dorothy Johnson, both from Strawberry Point. They will make their home in Strawberry Point.

Beautiful weather, picnics and dances seem to go together. Last week Annex II had a fudge party. Anne also had a party, only it seems was watermelon. What could be more fun than gang eating watermelon? Not

only that, but have we noticed the beautiful strains of music coming from the piano in Annex II? Miss Dorothy Kraushar, housemother, and several of the girls have been entertaining those who linger on the front porch.

The senior class had its first social meeting of the year Friday evening, Sept. 24. Members of the class and guests rode the "piggy-back" out to Rock Hill. The evening was spent around a bonfire eating and having an enjoyable time.

President and Mrs. C. H. Becker will act as hosts tomorrow to faculty members and other friends at a formal reception in honor of the new faculty members.

'Big' Entertain 'Little'
"Big sisters" displayed their "little sisters" at Pi Sigma's first picnic of the current school year Monday evening. The picnic, however, was held in the gymnasium because of rainy weather.

Sitting around an imitation campfire, group after group lunched with Wanda Mae Zell, freshman student, and a reading by Helen Muller, sophomore, were followed by group singing.

Elaine Schlesinger, president of the organization, invited all freshman girls to become members. Pi Sigma's motto, "To unite, to serve, and one spirit" is for the purpose of promoting culture and etiquette.
